

# NEWPORT HOUSING AUTHORITY

**Pick Up Your Trash, If You Don't We Will**  
and We Will Charge You For Picking It UP. If we pick up your trash, then you will be charged **\$30** for picking up your trash, no questions asked. Cigarette butts are trash too. You are also responsible for the trash where your vehicle is parked. Your trash is your responsibility, not ours!

**Bryant Town's trash pick up is on Wednesdays and other NHA Areas are on Mondays.**

**24 Hour Rule:** Do not set your trash out before 24 hours of your trash pick up. After 24 hours of pickup, you must move your trash can to your building/home. If we have to move your trash can back, you will be charged \$10. If the Street Department doesn't pick your trash up, then you take it off. .

**Do Not leave Trash Piled up around trash can and out of bags as the Street Department will not pick up loose trash outside of trash bags. If the Street Department doesn't pick up your trash, than you take it off**  
**Any questions or comments, call 423-623-1575 Ext 3 for Andrea**
