

NEWPORT HOUSING AUTHORITY

DO NOT THROW FOOD OUTSIDE

The NHA is having problems with animals in our areas getting into trash that is left outside. Do not put food outside nor throw food out as you will attract skunks, bears, and bugs etc.

DO NOT THROW FOOD SCRAPS OUTSIDE.

Please put your trash out the night before it is to be picked up. Your trash is your responsibility, not ours. If you want to feed the birds, get a bird feeder, do not throw food outside. The \$30 (1 hour labor) trash pickup will apply if we have to remove food scraps and you will receive a lease violation letter as well.

Do Not leave Trash Piled up around trash can and out of bags as the Street Department will not pick up loose trash outside of trash bags.
